

Santa Claus is Coming to Union City!

It's that time of year when the residents of Union City will begin to hear the jingle of Santa's sleigh as he makes his way through the City passing out candy canes to all the good little boys and girls!

Be sure to be on the lookout for Santa as he arrives in your area in the next few weeks. The Union City Fire Department has joyfully volunteered to give Santa a ride on their fire truck while his reindeer are resting for the big day coming soon!
