

Shannon Parkway Sidewalk Enhancement Project 2014

Union City's Public Services Department will be performing pipe replacement, curb installation, sidewalk installation, resurfacing and striping of Shannon Parkway.

Scheduled Start Date: October 15, 2014

Projected End Date: April 15, 2015

The projected end date is contingent upon the weather

Traffic will be allowed through Shannon Parkway. However, traffic flow will be controlled. For questions or more information, please contact the Public Services Department at [770-306-6855](tel:770-306-6855).

Thank you for your patience as we work to better serve you!
