

# KEEP UNION CITY BEAUTIFUL

## WE ARE TAKING STEPS TO ENHANCE OUR COMMUNITY

The Union City Anti-Littering Campaign is designed to create litter awareness and build partnerships with our business and residential communities. Our goal is to increase litter consciousness and encourage proper garbage disposal to reduce litter found along the Shannon Parkway corridor and beyond.

This initiative supports the City's ordinances on litter control while promoting, enhancing and sustaining litter-free conditions throughout Union City.

We invite you to join us along with several partners and volunteers to **beautify Union City**.

## THERE ARE FOUR EASY WAYS YOU CAN HELP!

1

### ENGAGE

#### IN COMMUNITY CLEAN UPS

Sign up for email notifications or follow us on social media to learn about upcoming clean up events.

2

### INVITE

#### NEIGHBORING ORGANIZATIONS

Encourage others to practice proper disposal of trash and participate in clean up events around the community.

3

### FOLLOW

#### LOCAL LAWS & ORDINANCES

Maintain your property and surrounding areas by complying with City ordinances and laws.

4

### ADOPT-A-SPOT

#### THAT IS CLOSE TO YOU

Choose a small public area in which you pledge to maintain and keep litter-free. (Details about this program are included.)

Studies have shown that litter attracts litter. If an area is litter-free, people are more likely to think twice about littering. Let's work together and Keep Union City Beautiful. Remember - It's **ILLEGAL** to litter.
