- Completed application forms – all information required of the appellant must be provided and must be printed clearly or typed.
- Property owner must sign petition. If an agent for the property owner presents petition, the “Property Owner’s Authorization” must be signed and accompany petition.
- Legal description of subject property.
- Copies of plat, drawn to scale, showing north arrow, land lot and district, the dimensions, acreage and location of the tract(s), prepared by an architect, engineer, landscape architect or land surveyor whose state registration is current and valid. His/her seal shall be affixed to the plat.
- A sketch plan or preliminary site plan indicating the intended use of the property, including, but not limited to, proposed structures/buildings, streets and lot layouts, access and egress routes, buffer areas, parking and phased development areas (if applicable). In general, the plat should contain sufficient data so as to clearly indicate proposed land uses. A sketch plan, with a scale not less than 1” per 200’ shall be acceptable; however, the preliminary plat should meet all the requirements of the Union City Subdivision Regulations
- The applicant shall file with the application a letter of intent indicating specifically how the property is to be used. Said letter shall be detailed as necessary to clearly describe the proposed site development.
- Attach names and addresses of owners of all property within 250 feet of the subject property (from County Tax Assessors Office). Once an application has been accepted for presentation the applicant must also demonstrate that all property owners within 250 feet of the subject property have been notified of the Public Hearings (see sample letter).
- Application Fees:

REVIEW CRITERIA FOR MAP AMENDMENT

All proposed map amendments shall be evaluated with special emphasis being placed on the relationship of the proposal to the Official Zoning Map and related development policies in Union City. The following questions must be answered.

1. What are the existing uses and zoning of nearby property?

2. To what extent are property values diminished by the particular zoning restrictions?

3. To what extent do destruction of property values of the applicant promote the health, safety, morals or general welfare of the public?

4. What is the relative gain to the public as compared to the hardship imposed upon the individual property owner?

5. What is the suitability of the subject property for zoned purposes?

6. What length of time has the property been vacant as zoned considered in the context of land development in the immediate area of the property?

7. Are there any specific, unusual or unique facts of the case that give rise to special hardships incurred by the applicant and/or surrounding property owner?
